I've
Done**

Has
Done**

It's About The Cross

**It's not just about the manger
Where the baby lay
It's not all about the angels
Who sing for him that day**

**It's not just about the
shepherds
Or the bright and shining star
It's not all about the wise men
Who travelled from afar**

It's About The Cross

It's about the cross

It's about my sin

**It's about how Jesus came to be born once
So that we could be born again**

It's about the stone

That was rolled away

**So that you and I could have real life
someday**

It's about the cross

It's About The Cross

**It's not all about the good things
In this life I've done
Its not all about the treasures
Or the trophies that I've won**

**Its not about the righteousness
That I've find within
Its about His precious blood
That save me from my sin**

It's About The Cross

It's about the cross

It's about my sin

It's about how Jesus came to be born once

So that we could be born again

It's about the stone

That was rolled away

So that you and I could have real life someday

It's about the cross

It's About The Cross

The beginning of the story is wonderful and great

But it's the ending that can save you and that's why we celebrate

It's about the cross

It's about my sin

It's about how Jesus came to be born once

So that we could be born again

It's About The Cross

It's about God's love

Nailed to a tree

**It's about every drop of blood that flowed from
Him when it should have been me**

It's about the stone

That was rolled away

So that you and I could have real life someday

So that you and I could have real life someday

It's about the cross
