

*"Let no vandalism of avarice or neglect, no ravages of time,
testify to the present or to the coming generations,
that we have forgotten, as a people, the cost of a free and undivided Republic."
- General John A. Logan, Grand Army of the Republic, May 5, 1868*

Memorial Day isn't just another holiday.

This garden of 37,000 flags was planted in memory of every fallen Massachusetts service member from the Revolutionary War to the present. These flags will be on display throughout Memorial Day weekend for your observance and reflection. Please remember and honor the ultimate sacrifices of our local heroes.
